

ALL PAKISTAN MEMON FEDERATION I.T.COMMITTEE

AMAZON VIRTUAL ASSISTANT COURSE

AVA

WHAT WILL YOU GET?

This course will enable the pass outs to become familiar with Amazon as a Virtual Assistant. In contrast to other short freelancing courses, this program is termed Virtual Assistant for Amazon. Trainees will be learning, the ways of being a Virtual Assistant for Amazon to take projects from customers and working from home as per customer's requirements. The trainee will be able to deal with all the administration and customer support related to Amazon as well as be able to find a product and launch in the Amazon.com marketplace.

Memon Federation House, Farooq Motlani Road,
Near Islamia College, Karachi
